**clean easier • wear harder • last longer**

Laboratory tests have proved that this new amazingly durable synthetic finish will remain intact and free from damage even when subjected to all the hazards of rugged school use.

"Vila-Seal" helps cut your maintenance and depreciation costs because of its exceptional hardness, scuff and mar-resistant qualities.

\*T. M. Reg. Can.

Ink, grease, gum, waterpaints, etc. respond like magic to light solvents without causing any damage to the finish itself.

"Vila-Seal" finish is now applied to all Moyer school furniture — at *no extra cost*. Before placing your next furniture order, be sure to ask your nearest Moyer office for all the facts on "Vila-Seal".

**Cubans know  
you can trust its quality**

From Havana to Santiago—and in between or on beyond—you'll find Coca-Cola an especial favorite of our Latin cousins in the Caribbean. And with good reason. You see, the Queen of the Antilles supplies great quantities of the goodness that goes into every bottle of Coke. Cubans know they can trust the quality of Coca-Cola. And so, of course, can you.

# Electoral Ballot, 1954

Since 1948 several amendments to the General By-laws of the Alberta Teachers' Association have been passed, but no consolidation has been made previous to the present time. At the request of the Executive Council, the General By-laws have been reviewed and, in the cases where deemed advisable, have been re-grouped and re-written. No change in intent has been made. The consolidation of the General By-laws is printed below, with a note under any by-law which has been significantly changed. The revised edition only is given. Following each by-law is the number of the corresponding old by-law. After having reviewed this consolidation very carefully, the Executive Council recommends approval of this electoral vote.

Forms for recording the electoral vote of a local will be sent to the secretaries of local associations, which forms must be signed by the president and secretary-treasurer and returned by registered mail so as to reach head office not later than December 1, 1954.

Is especially useful in courses where regional and local problems are being covered:

Lays particular emphasis on the story of settlement and on recent developments in agriculture, mode of life, industry, education, and health and social welfare.
